

## Young Love

Spending time with Mom isn't the only reason why Kaya Callahan loves coming to the AMC studio, reports Eva La Rue. "We've got a lot of cute boys on this show," the actress laughs. "And Kaya definitely has her favorites! She's got the biggest crush on Jacob Young [JR]. It started on the plane home from Super Soap Weekend; she was shamelessly flirting with him. It was so over the top, I couldn't believe it. Now, every time she sees him, she starts biting her eyes. Where she learned that from, I have no idea — it certainly wasn't from me! She loves Thorsten [Kaye, Zach] and Jeff [Branson, Jonathan], too, but they really have to work for it. They have to tickle her, chase her down the hall, give her cookies, toss her up in the air. Jake doesn't have to do anything; he just has to walk into a room and she'll bat her eyes and offer him cookies!"
